ANNUAL UPDATE

A must-do course for competitive athletes, this course is released in December each year and provides updates on new prohibited substances, rule changes and other integrity issues.

The Anti-Doping Fundamentals course must be completed prior to this course.

INTRODUCTION TO MATCH-FIXING

This course provides education on what match-fixing is, the consequences, how to recognise it and report it.

ANTI-DOPING FUNDAMENTALS

Comprehensive anti-doping education designed for all athletes and support personnel participating in competitive sport.

INTRODUCTION TO CHILD SAFEGUARDING

Coming soon!

COACHES COURSE

Anti-doping knowledge tailored to the important role coaches play in their athletes' lives.

The Anti-Doping Fundamentals course must be completed prior to this course.

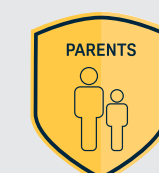

MEDICAL PRACTITIONERS

A high level course written by medical practitioners for medical practitioners to help them stay up to date with all anti-doping requirements.

CLEAN SPORT 101

An introduction to anti-doping rules written in plain English. Designed for pathway athletes early in their careers, unlikely to be tested, and community/ grassroots levels.

PARENTS' GUIDE TO CLEAN SPORT

Tailored education for parents of athletes, to ensure they are aware about the anti-doping rules, doping risk factors, healthy sport culture and the risks of supplement use.

ETHICAL DECISION MAKING

A 4 part course on how to use values to make tough decisions in real world sporting scenarios

WHEREABOUTS

This course explains the Whereabouts rules and provides information, tutorials and advice for Registered Testing Pool athletes and their support personnel.

ILLICIT DRUGS IN SPORT

A scenario based education module that shows the impacts of decisions regarding illicit drugs in sport.

TOKYO 2021

A course designed for all athletes and support personnel competing at the Tokyo2021 Games.
